

Susanne Weinbrenner, MD PhD, MPH

Curriculum Vitae

Dr. Susanne Weinbrenner, the current EFRR President, is a well-known medical physician, anaesthesiologist and scientist working as Chief Medical Officer and Head of Department for Prevention, Social Medicine and Rehabilitation at the German Pension Insurance (Deutsche Rentenversicherung Bund).

Until 2012 she held the position of Scientific Director and Deputy Executive at the Agency for Quality in Medicine (AQuMed) as Head of Department for Guideline Development and Evidence Based Medicine in Berlin, Germany. Between 2003 and 2006 she worked as a research scientist at the department of Health Care Management of the Technische Universität Berlin. Between 2000 and 2003 she worked as consultant anaesthetist at the Jewish Hospital, Berlin, while at the same time completing her Master's Degree in Public Health. Before the year 2000, at the University Hospital of Tübingen, where she also attended her advanced training in anaesthesiology, she also worked as deputy consultant for anaesthesiology focusing on intensive care, anaesthesia for cardiac surgery and pain management.
